MAGGIE
TCHORZEWSKA

We did it Class of 2011! We reached the end of this long and extremely hard journey. These past four years of high school proved to us that as individuals we can surmount the obstacles placed in front of us. As we ascend the next level of our ladder of success, we will encounter new challenges and trials that will ultimately lead us to our desired destinations. Some of us may not yet know which career path to choose, but what we have to keep in mind are the achievements that we have already accomplished, the goals that we have already reached. Each of these influenced and shaped us into the strong individuals that stand here today. We must know that in whatever path we do decide to pursue, we will always succeed and continue to learn. Therefore it is important for us to continue our education in college because this is the one way which will guarantee the continuation of our success as well as further developments of us as individuals.

Henry David Thoreau once said, "Be not simply good; be good for something". I myself yearn to live a life that is an epic journey – one abundant and rich in knowledge, new experiences, places, adventures, as well as encounters with fellow travelers. This independent pursuit of knowledge will not be an easy endeavor, however I am ready to take on the hardships and challenges life places before me. My high school journey became a significant step in this adventure and higher education is the gateway that will lead me to the world beyond. I will strive to make my life experiences valuable because in the end nothing is worse than life wasted in nothing, not following one's dreams. I believe that each one of you possesses the potential for the same epic journey and for a life full of joy and success.

KIARA
OCHOA

I'm Kiara Ochoa, an eighteen year old who feels very accomplished, yet still has a long way to go. Throughout the years at East Side, my mind has matured and quickly established goals. I am determined to always be the best at all I do. My determination has taken me from regular classes, to honors classes, to finally AP courses. I am graduating as the salutatorian of my class. I am now one step closer to fulfilling my dream of establishing a childcare facility for all children who are abandoned or simply need a hand. I must not forget that I could not have done this alone. Along the way, many have helped me go on when I thought I was about to collapse. I have seen my dreams demolished in front of my eyes many times, but nothing is ever gained by giving up. Each fall or stumble has made me stronger and more determined to achieve my goal. Thanks to these people, I am still here, strong and steady. After almost four years, I know where I want to go and who I want to be. As of now, I will be attending Northeastern University as a Biomedical Engineering major. Remember if you want to achieve just be firm and "Be true to your work, your word, and your friends" (Henry David Thoreau) and you'll be successful.

Football

The 2010 East Side football season was exciting one. Facing 5 playoff bound teams in the tough Super Essex County conference. The Red Raiders held their own, but couldn't overcome traditional powerhouses like Nutley, Shabazz, Coubia, Orange, and West Essex. Led by All-State and All Essex County tackles Gilbert Bermudez and Nigel Golding the team had to overcome some key injuries which led to several players missing 2 or more games. We will surely miss our seniors.

Cross Country

The East Side Cross Country and Track team has had a very successful year. For Cross Country Alpha Omar Jalloh lead his team to 10 wins and only 3 losses. In terms of indoor track the team enjoyed its most successful season in four years. Kudos to the East Side Cross Country and Track Team. To the seniors of the East Side Track Team, thank you for your work ethic and dedication and may the bonds formed with this family carry you through the next phase of your life.

Boys' Soccer

Due to the toughness of our conference, we finished the season with a losing record. Even though we improved our conference record from the previous year, we still finished the season with 9 wins, 11 losses, and 1 draw. The team also reached the final of the Newark City Tournament. As always we eagerly await the next season, where will probably have the best team in recent years, with mostly seniors on the starting line up.

Girls' Soccer

The East Side High School Girl's Soccer team had a very difficult season finishing with a record of 3 wins and 11 losses. The team never gave up and their play improved towards the end of the season. Senior Tracy Sotelo found her way to the starting line-up despite this being her first year playing soccer. Senior Evangelina Ruballos supported the team in attack. The effort of both will be missed next season.

Girls' Volleyball

The East Side High School Girls Volleyball team had one of its most successful seasons yet with a record of 21 wins and 4 losses. With five experienced seniors and a strong junior and sophomore, we were Newark Public school champions, Super Essex Conference (American Division) co-champions, Essex County Tournament finalists and Group III North state tournament semi-finalists. Seniors Barbara Perru, Karla Gatti and Lisandra DoVale were our co-captains and they led the team in six statistical categories. Congratulations Lady Raiders!

Boys' Volleyball

The East Side Boys Volleyball team is looking forward to a great season infusing a blend of seniors led by co-captains, Carlos Hamberland and Francisco Fernandes and a core group of underclassmen. Playing in the premiere division of the SEC there will be some great challenges ahead, but based on the effort and determination that the players have shown we are ready for it. We will be playing this spring in remembrance of longtime and outstanding Coach, Mr. David DeOliveira.

Girls' Basketball

A season filled with hopes became a season with a future. The team was filled with bright shining faces filled with hope but no experience. A season filled with medical challenges resulted in a season for improvement. We closed with an exciting win over Newark Vocational and the HOPE for the future.

Boys' Basketball

The 2010-2011 Boys Basketball Team finished with an 18-9 record. The season started very promising as the boys started 8-1 and won the Newark Public Schools Holiday Tournament for the 2nd consecutive year. The team was led by seniors Daniel Green, Shaquan Johnson, Arnoldo Martinez and Desean McDonald. All the coaches would like to wish the seniors the best of luck after High School and thank them for their positive contributions to the team and the school community.

Ice Hockey

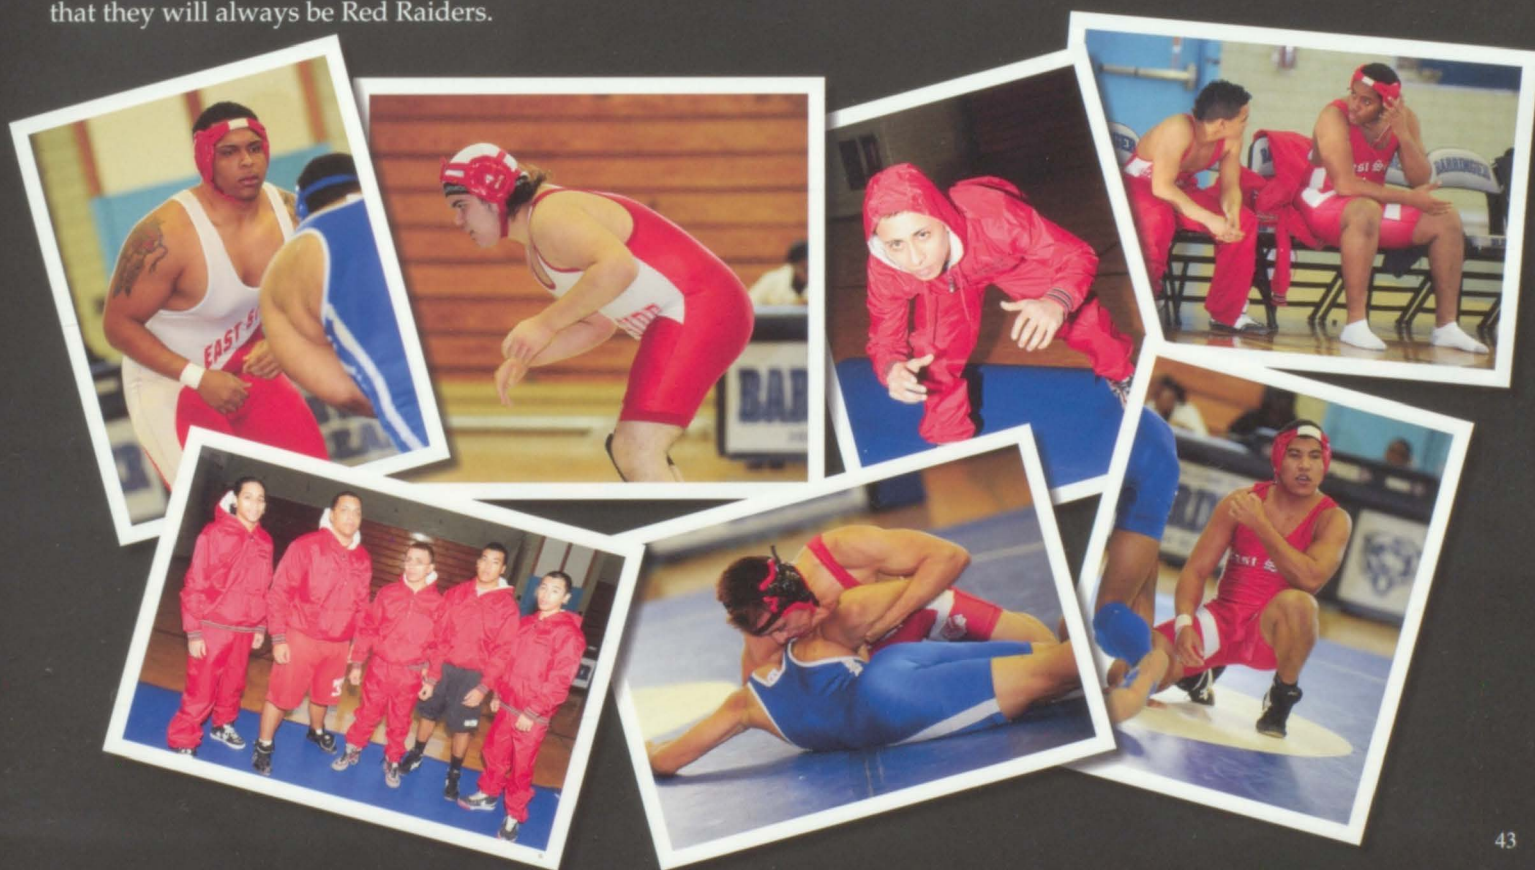

The East Side Hockey Team finished the season with a 8-4-3 record and qualified for the New Jersey State Playoffs for the second year in a row. The team was led by Senior Captain Daniel Martinez, Assistant Captain Anthony Otero, Michael Raposo, Armando Romero, Jermaine Matos, and Leo DeSouza. Anthony Otero led the team in scoring with 20 goals, 12 assists and was named 3rd Team All Essex County.

Wrestling

The East Side Wrestling team finished with a record of 5-12 this season. Led by Senior Captains, Christian Delgado, Jhonson Solano and Fernando Pereria, wrestling in the 2nd Division was no easy task but our wrestlers did a tremendous job of pushing themselves to the limit and not giving up. Among our accomplishments this year was finishing 2nd in the City Tourn. Individually, Christiam Delgado turned in one of the most impressive seasons in E.S. history finishing with a record of 26-5, earning his 2nd District Title and making it to the Finals of the ECT. Our seniors will be missed dearly, but know that they will always be Red Raiders.

Swimming

The East Side High School's Swim team had a very competitive season this year. The team had a lot of spirit, never gave up and raced to the end every meet. The team was led by the girls senior captain Ashley Trindade and the boys senior captain Quelvi Casteneda. Sisters Maria and Katty Larrea had a terrific season competing in 4 races in each meet. The positive attitude and talent of all the seniors will be missed.

Bowling

The bowling team had a wealth of seniors this year. Sadly, seven of those seniors had no prior bowling experience. Despite an unexperienced team they managed to win 16 games. Captain, Alquan Darden led the team and helped instruct the new bowlers. THE team finished sixth in the conference and fifth in the Newark Public School's City Tournament . Ms. Steele is looking forward to recruiting the next generation of East Side bowlers.

Softball

This years softball season looks promising with 7 returning players including senior captain Kristen Tavares. New senior additions to the team include: Ashley Rodriguez, Yefi Bernard, Patricia Almonte and Karen Santana. Junior, Carla LaGrasso, looks to lead the team from the mound with help from her fielders including: Innocent Early, Kim Rodriguez, Kayla Rodriguez, Miranda Morales and Jenna Correia. Freshmen, Ines Caetano and Yesenia Parada, were included in this years team to help improve last year's overall record of 11-10. The softball team goal this season is to be conference champions.

Baseball

The 2011 baseball team are led by senior first basemen Chris Delgado, senior second basemen Joel Ortiz, and senior centerfielder Daniel Green. Pitchers Robinson Reyes and Pablo Ortiz enter the season with solid experience and improved arm strength. Senior third basemen Yancy Garcia will contribute his quick bat to the lineup.

Girls' Tennis

The 2011 girls tennis, led by Maggie T, Carmen Cabrera, and Kiara Ochoa finished the season with a record of 9-6 and qualified for the state tournament in back to back seasons. Maggie T, a four year varsity player, completed her senior year with 1st team Colonial Division honors. Carmen Cabrera, a three year varsity starter, finished with 2nd team Colonial Division honors. Kiara Ochoa, a 2 year varsity starter, finished with 3rd team Colonial Division honors.

Boys' Tennis

The East Side High School Boy's Tennis team had a very difficult season finishing with a record of 0 wins and 12 losses. The athletes never gave up and their skills improved as the season progressed. Seniors Marc Segarra and Andre Cieslak lead the way for a inexperienced Red Raider squad. The team is looking forward to next year with players Cleber Almeida and Dan Mensah returning to lead the way.

Lacrosse

The 2011 East Side lacrosse team enters its third varsity season with great expectations. After a 1-17 season in 2010, the team looks to go only upwards. Seniors Mike Barros, Eddie Salas and Bobby Vera will be sorely missed. However, the return of strong junior and sophomore classes and seasoned veterans Fernando Pereira, Justin Kelly, Caio Rentes and Jonathan Ali should ensure a successful season. Transfers Vaughn Powell and Robert Clark should make an immediate impact.

East Side's Golf Team is looking forward to a challenging season and to improve its record. Returning members are seniors, Matt Santos, Bruce Johnson and junior Evelyn Weng. We are in a new conference and will be playing a number of different teams. The highlight of last year's season was Matt Santos being named a member of the Colonial Division of the Super Essex Conference, All Conference Team.

Cheerleading

Through it all, the young ladies and men of the cheerleading squad hung in there, giving their best support. The old timers took the new comers under their wing and the new comers brought it! The combination made for a GREAT TEAM! Seniors, Aiesha Dickerson, Mystic Foote, Rahman Holley, Michela Imasemuendo, Mercedes Lewis, Chantel Thompson and Ashley Trindade led the way. We will miss them.

Marching Band

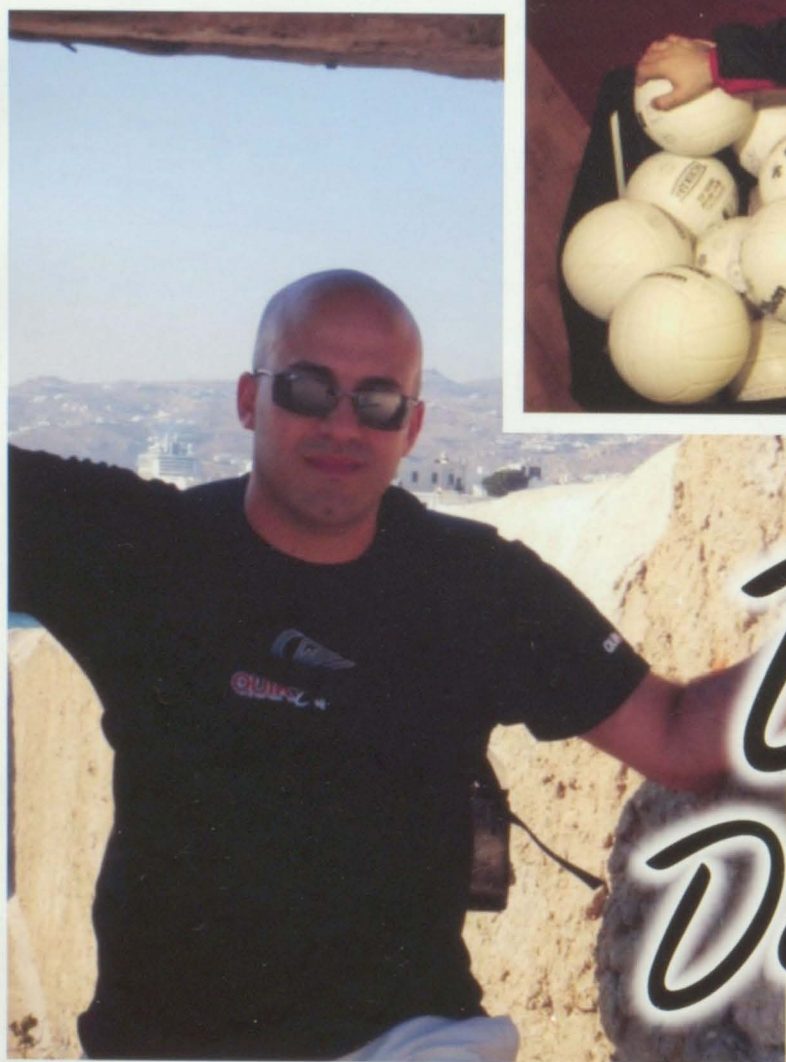

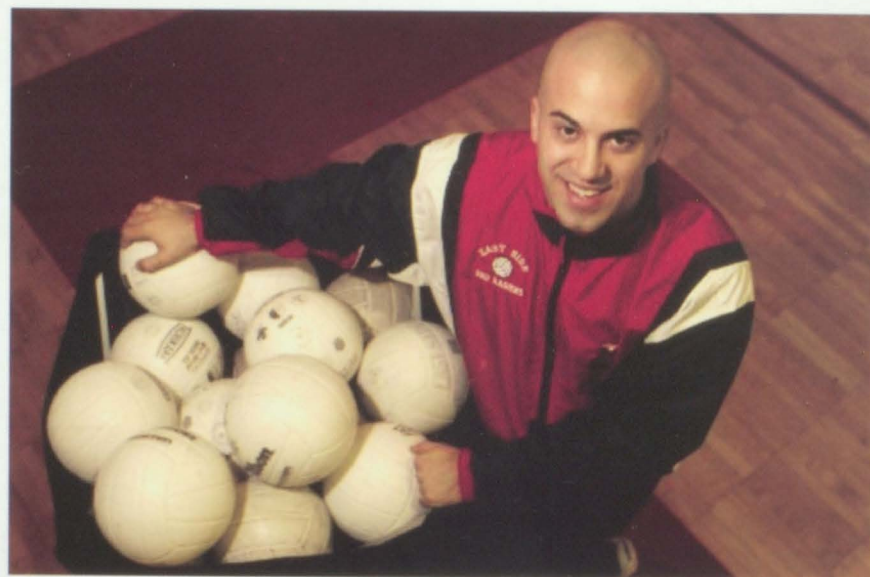

Hear them play! Hear them play loud!
Who are they?!

They are the East Side High School Marching Band!!!

We'll

You!
